

Captioned Telephone (CapTelSM) provided by Sprint

CapTelTM is a “captioned telephone” developed by Ultratec, Inc.

- ◆ Ideal for people with some degree of hearing loss
- ◆ Hear your caller’s voice and see word-for-word captions simultaneously!
- ◆ Live captions are displayed on your phone’s built-in screen!
- ◆ Dial the person directly and listen to your caller’s voice!
- ◆ CapTelSM Relay Service is provided free of charge through Relay North Dakota.

How to Obtain a CapTelTM Phone:

WCI: 1-800-233-9130 (V/TTY),
(310) 656-4924 (V/TTY)
